

Travelling to Belgium

Following rules apply to everyone aged 12 and over (people younger than 12 do not need to get tested):

Are you living in the European Union and fully vaccinated or have a recovery certificate?

⇒ You do not need to quarantine or get tested.

Are you living in the European Union and are NOT fully vaccinated?

⇒ Get tested before your arrival (PCR up to 72 hours before or RAT up to 24 hours before).

Did you test negative? You do not need to quarantine or get tested when you arrive in Belgium.

Are you living in a country outside the European Union or Schengen area (also UK!) and fully vaccinated or have a recovery certificate?

⇒ Fill in the Passenger Location Form (PLF) when travelling by plane, bus, boat or train
