## HOTELS:

Please also check the hotels document for booking details on our preferred hotels in the vicinity of Antwerp (find it on the website or request it by email). For these hotels, you usually get a discount in the hotel itself, if you use the booking code included in the document. Transport from the preferred hotels is under consideration by the organisation team.

*Our preferred hotels for 2026 are (provisionary):*

- Ter Elst, Edegem
- Tulip Inn, Antwerp
- Bristol International, Mortsel
- De Basiliek, Edegem

*If you need transport to/from another hotel, please check with us before booking, because some hotels take too much time to get to by bus. Especially the Antwerp city centre is not easily reachable by bus (or car for that matter).*

## FLIGHTS & AIRPORT TRANSPORT:

For all teams requesting transport from the airport, we need flight schedules by 20<sup>th</sup> of March 2026. All finals will be finished by 18h.

Silver transport option includes being brought to your hotel on Friday, and being brought to the sports hall before the tournament starts and back to your hotel once every day after the tournament ends. If you want extra transport (e.g. if you want to go to your hotel on Friday before a practice session), please let us know so we can plan this and communicate the extra charge. Non-preferred hotels: Only applicable if we accept to do transport to the hotel. Please contact us before booking.

For transport before 9 a.m. the next day, bookings have to be made before 9 p.m. the day before. We only offer this option for our preferred hotels.

Transport request can be made using the online entry platform: [app.juniorolvtournament.be](http://app.juniorolvtournament.be).

## CATERING SERVICE:

The catering service offered by our organisation is being reworked at the moment. We want to be able to offer healthy meals and quality services without prior commitment and we want to serve the meals in the sports venue itself. However, we want to ensure that the quality of our catering service is as best as possible. Therefore, we cannot offer all details of the service yet at this time.

Our goal for the catering service in 2026 is:

- To offer a variety of healthy meals at reasonable prices;
- Meals can be ordered in advance (to avoid waiting times), but also on the same day;
- Meals can be collected and consumed in the cafeteria of the sports venue;

Updates on our catering service will be communicated on our website and social media platforms. We thank you for your patience while we try to improve our services for all players, coaches and parents.

## **PAYMENTS:**

Two weeks before the tournament, an invoice will be sent concerning all tournament fees. We prefer to have the invoice paid by bank transfer. At the tournament, payments by card or cash are both possible.

## **PHYSIO SERVICE:**

The players can use our professional physio service for free during the tournament as much as they need (Friday-Sunday). Physio-tape must be provided by the players themselves.

## **PORTRAIT RIGHTS:**

During the tournament, it is allowed to make tv-recordings, audio-recordings and pictures. Participation in this tournament means that there are no further approvals needed concerning the participants or officials. These tv-recordings, audio-recordings or pictures, can be divided by the holder of the publication- and broadcasting rights and can be used for live or taped tv programmes, internet, webcasting, radio, movies or diffusion through press and other similar media. OLVE Badminton vzw and every concerning photographer have the right to use the pictures or any other similar image, which are made of the player or official, during the tournament, to use for non-commercial purposes.
